Eat to Suit Yourself!

Said Franklin, "but dress to suit others." By getting your spring outfit at the Hechinger Shop, you've not only pleased yourself but so tastefully attired that your Togs and appearance can't help but be admired by others. It's knowing how—we are ever painstaking in assisting our customers in selecting something becoming. No house in the State showing the vast variety of Fancy Worsted Cassimeres, Plain Blue and Shadow Striped Serges we do.

From \$12 to \$25. Though slightly in advance of the season, we have in our entire line of Panama and Straw Hats, containing some extreme novelties in new Braids. Come in and let us show you. Don't overlook our Athletic Underwear, the greatest line ever shown in Maysville, including the Exclusive "Gotham" confined to us.

SHOES FOR MEN AND BOYS! Hechinger's Guaranteed Shoes are justly in favor. Why? Because when we sell a pair of Shoes the customer is assured satisfaction, and with our kinds it's a rarity we even have a complaint—the Hanan, Nettleton, Walkover and Douglas, in all leathers, either high or Oxford.

A record-breaker for heavyweights is the family of Lewis Fisher and his seven daughters of Sharpsburg. The father's weight is 208 pounds, and the daughters tip the scales as follows: Fannie, 225 pounds; Bessie Jane, 161; Clara Belle, 178 pounds; Florence, 175 pounds; Lizzie, 184 pounds; Louise, 227 pounds, and Anna Ray, 235 pounds. This makes a total of 1,593 pounds, for the father and seven daughters, or an average of 194 pounds each.

ANNOUNCEMENT TO THE PUBLIC.

In furtherance of its announced policy of displaying a high class selection of motion pictures to the public, and wishing to uplift the moving picture industry by the elimination of objectionable pictures, the Pastime Amusement Company has issued the following statement:

Every effort possible is being made by the Pastime Amusement Company to provide pictures that have either an educational, moral or cleanly amusing effect upon those who view them, and to absolutely prevent the production of any film whose subject is of questionable nature. It is well known that in the past certain objectionable pictures have been on view, but since the Pastime Amusement Company's formation, a most earnest and strenuous campaign has been carried on toward the abolition of all such material, and the prevention of its further production.

With this end in view, "The Pastime" has secured an agreement from all of the manufacturers and importers of moving picture films that no picture will be shipped here for exhibition purposes that has not been approved by the recently established New York Board of Censorship of Programs of Motion Picture Shows, which is composed of such well known leaders as Charles Sprague Smith, President of the People's Institute; Rev. Walter Leidsaw of the Federation of Churches; Thomas L. McClintock of the Society for Prevention of Crime; Gustave Straubmiller and Evangelist C. Whitney of the Board of Education; Mrs. Joseph M. Price of the Public Educational Association; Miss M. Serena Townsend of the Women's Municipal League; Rev. George W. Knox of the Ethical Social League; Howard M. Bradstreet of the Neighborhood Workers Association; Mrs. Josephine Bidding, John Collier and Albert Shields.

clation; Mrs. Josephine Bidding, John Collier and Albert Shields.

"To look over the above list of names is surely to be convinced of the sincerity of the Pastime management, and most lead to the conclusion that the death knell of the cheap and low-toned Picture Show has been sounded."

A Constipation
Remedy Free

There is no action of your daily life of greater importance than to see that your bowels move. They should move at least once a day naturally, and by that is meant without any help. If they do not move at least once a day you can consider yourself constipated and it is time you did something about it.

You will be glad to know there is a way out of the difficulty. Lemuel Landerdale, an old soldier at Quincy, Ill., Elmer McMullan, of Speed, Mo., Mrs. Monahan, of Stonewall, Miss., and many others were as you are now. But one day they awoke to the fact that Dr. Caldwell's Syrup Pepsin was curing their friends, so they bought it too and it cured them. Today they are loud in praise of it.

What Dr. Caldwell's Syrup Pepsin did for them it should do for you. Surely your constipation is no worse than theirs, one of whom had it since '61. It only remains for you to realize that salts are of but temporary good, and what you want is a permanent cure; that purgative tablets, cathartic pills and such violent things make great show of doing something, but do nothing that is lasting. Dr. Caldwell's Syrup Pepsin is a scientific preparation, a laxative- tonic, a mild syrupy liquid that contains ingredients that not only cure the constipation, but tone the intestinal muscles so that they learn again to work without help. A bottle can be bought of any druggist for the small price of 50 cents and there is a smaller size for families who have already found out its wonderful value in stomach, liver and bowel troubles, in old or young.

Send your name and address to the doctor and a free trial bottle will be sent you so that you can test it before buying. If there is anything about your ailment that you don't understand, or if you want any medical advice, write to the doctor, and he will answer you fully. There is no charge for this service. The address is Dr. W. B. Caldwell, 507 Caldwell bldg., Monticello, Ill.

FREE TO YOU—MY SISTER

I am a woman.
I know woman's sufferings.
I have found the cure.
I will mail, free of any charge, my home treatment with full instructions to any sufferer from woman's ailments. I want to tell all women about this cure—you, my reader, for yourself, your daughter, your mother, or your sister. I want to tell you how to cure yourselves at home without the help of a doctor. Man cannot understand woman's sufferings. What we women know from experience, we know better than any doctor. I know that my home treatment is a safe and sure cure for Leucorrhoea or Whitish discharges, Ulceration, Displacement or Falling of the Womb, Profuse, Scanty or Painful Periods, Uterine or Ovarian Tumors or Growths; also pains in the head, back and bowels, bearing down feelings, nervousness, creeping feeling up the spine, melancholy, desire to cry, hot flashes, weakness, kidney and bladder troubles, where caused by weaknesses peculiar to our sex.

I want to send you a complete ten day's treatment entirely free to prove to you that you can cure yourself at home, easily, quickly and surely. Remember, that it will cost you nothing to give the treatment a complete trial; and if you should wish to continue, it will cost you only about 12 cents a week, or less than two cents a day. It will not interfere with your work or occupation. Just send me your name and address, tell me how you suffer, and I will send you the treatment for your case, entirely free, in plain wrapper, by return mail. I will also send you free of cost, my book—"WOMAN'S OWN MEDICAL ADVISER," with explanatory illustrations showing why women suffer, and how they can easily cure themselves at home. Every woman should have it, and learn to think for herself. Then when the doctor says—"You must have an operation," you can decide for yourself. Thousands of women have cured themselves with my home remedy. It cures all, old or young. To Mothers of Daughters, I will explain a simple home treatment which speedily and effectually cures Leucorrhoea, Green Discharge and Painful or Irregular Menstruation in Young Ladies. Plumpness and health always result from its use. Wherever you live, I can refer you to ladies of your own locality who know and will gladly tell you how this Home Treatment really cures all women's diseases, and makes women well, strong, plump and robust. Just send me your address, and the free ten-day's treatment is yours; also the book. Write today, as you may not see this offer again. Address MRS. M. SUMMERS, Box H - South Bend, Ind., U. S. A.

An All-Summer Delight

The soda water season of 1909 is now fairly opened, and at our fountain we see those who learned to appreciate last season the rare excellence of our sparkling beverages.

Our first effort is to make soda as good as it can be made; next, to serve it properly.

That we have been successful in both endeavors is proved by the favor shown by the people of Maysville.

Whenever your spring thirst starts drop in and get the kind of soda that has made our fountain popular.

IT IS FOR LADIES, TOO.

They Can Stop Their Hair Falling Out With Herpicide.

Ladies who have thin hair and whose hair is falling out, can prevent the hair falling out, and thicken the growth, with Newbro's "Herpicide." Besides, Herpicide is one of the most agreeable hair dressings there is. Herpicide kills the dandruff germ that eats the hair off at the root. After the germ is destroyed, the root will shoot up, and the hair grow long as ever. Even a sample will convince any lady that Newbro's Herpicide is an indispensable toilet requisite. It contains no oil or grease, it will not stain or dye. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

\$1 Bottles Guaranteed.

Four-fifths of the world's production of corn grows in the United States. It is the chief of crops and exceeds every other in value. No other product equals it in diversity of uses. It furnishes food for man and beast and material for some of the most important arts and trades. If the corn plant were blotted out of existence, civilization would suffer a serious check.

With money derived, it is claimed, from the sale of souvenir batches she has sold during her campaign through streets and slums in behalf of the temperance cause, Carrie Nation, the Kansas lecturer and champion saloon smasher, has purchased an extensive tract of land in Boone county, Arkansas, where she expects to pass the remainder of her days. Poultry, pigs, pigeons, peas and the famous Boone county apples will be raised in quantity by Mrs. Nation, according to the announcement of her agent, who completed the deal.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

The crab orchard at Mr. B. D. Owens, presents a grand appearance, every tree being full of the most beautiful and fragrant blossom, and more than a hundred large trees.

The wind during this week's storm amounted to a tornado in the county, shaking houses and uprooting trees. It is estimated to have attained a velocity of nearly seventy-five miles an hour. About the last one of the old time Maryland pear trees, supposed to be a hundred years old, that stood, full of bloom, in a yard at Washington, was blown down, thus removing an old landmark.

In the County Court yesterday afternoon Henry Gates, Jr., was tried on a lacy writ. Notwithstanding there was ample testimony to the fact that the boy's mental condition was due to illness when two years of age, the jury declared him to be an idiot. The County Court not having disposition in the matter of Idiots, he was remanded to jail to await the convening of the Circuit Court in September. The matter of fine hair-splitting as to lacy or idiot does not figure in the least as to his confinement in the Asylum; he goes there in either case; but it is a matter of some \$70 or more to the county. Gates is the unfortunate who shot and killed Robert Clayton a week ago.

TRUTH TRIUMPHS.

Maysville Citizens Testify for the Public Benefit.

A truthful statement of a Maysville citizen, given in his own words, should convince the most skeptical about the merits of Doan's Kidney Pills. If you suffer from backache, nervousness, sleeplessness, urinary disorders or any form of kidney ills, the cure is at hand. Read this:

Mrs. John T. Wallingford, 108 Commerce street, Maysville, Ky., says:
"Doan's Kidney Pills have been used in my family with most beneficial results and it gives me pleasure to corroborate the testimonial we gave in their favor some years ago. Doan's Kidney Pills afforded me great relief from kidney disorders and I have no hesitation in again recommending them."
